DAIMLER TRUCK

FUSO

JOB DONE

FIGHTER BY NAME

Fuso Fighter is no exception. Our medium duty truck is renowned for its versatility, durability and reliability. The Fighter's strength comes from its advanced safety features, superior driver comfort and gutsy 6-cylinder engine. Available in three model types and two engine types, the Fighter has a wide range of applications to tackle any challenge.

FUSO

JOB DONE

CHOOSE YOUR FIGHTER

No matter how tough the job, there's a team of Fighters to step into the ring. The range includes the FK, FM and FN models with a mixture of 4x2, 6x2 and 6x4 layouts; various wheelbase options and GVM variations of 11 tonnes and up to 24 tonnes (dependent on model type). There's also the choice of two manual and two automatic transmission types. With a wide range of options available to suit truckloads of applications, you'll find a Fighter for your business.

SAFE TRAVELS

The Fighter takes safety seriously. That's why it's S badge certified. This means every Euro 6 model is equipped with advanced safety features like Active Emergency Braking System (AEBS), Lane Departure Warning System (LDWS) and Electronic Stability Program (ESP). Also as standard is Side Guard Assist,* which warns drivers of any cars, objects, cyclists or pedestrians in their blind spot.

Fighter safety features:

- Anti-lock Brake System (ABS)
- Driver Side Airbags
- EZGO Hill Start Assist
- Advanced Emergency Braking System (AEBS)
- Electronic Stability Program (ESP)
- Active Mitigation Brake Plus (AMB Plus)
- Lane Departure Warning System (LDWS)
- Attention Assist
- Reverse Camera (with the option of 4 additional cameras)
- Active Sideguard Assist*

*Not available in FN models with Steel Suspension

SAFETY AS STANDARD

The S badge is a guarantee that your Fuso comes with safety, built in. At a minimum, vehicles with this badge come with LDWS, AEBS and ESP, at no extra cost.

COMFORT IS KING

Driving the Fighter is like driving business class. The interior has comfort top of mind with an improved cabin layout design to enhance the driver experience. In addition, all Euro 6 models come with a new multifunction steering wheel, stalk switches, central digital information screen, centre control layout, and an air suspended driver's seat. These updates work together to ensure drivers finish the day feeling fighting fit.

JOB DONE
TAKE ON THE TOUGH STUFF

PACKS A PUNCH

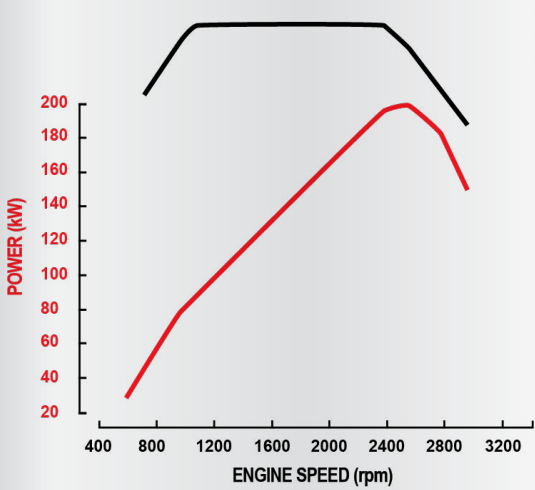

It's not the size of the truck in the fight, it's the size of the fight in the truck. All Euro 6 models have an impressive upgraded 7.5 litre 6M60 six-cylinder engine, available with 240hp and 745Nm or 270hp and 784Nm variations. The 240hp engine now achieves maximum torque between 950rpm and 2270rpm. This lowers fuel consumption, reduces costs and increases profit. The Euro 6 standard emission engine reduces the cost to the environment too, with a series of technological advancements to the engine and the after treatment system.

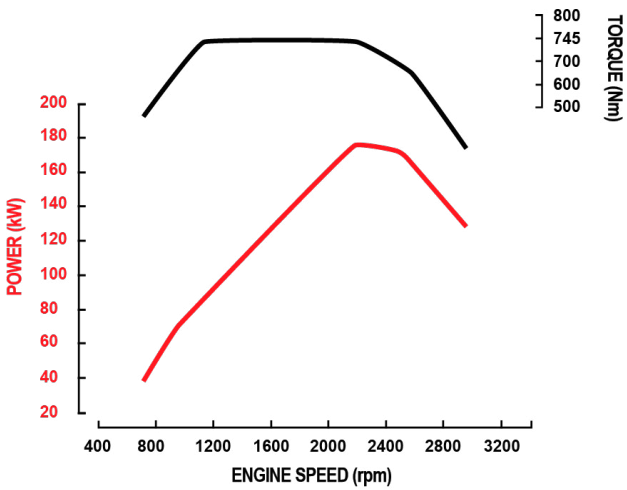

Additional Fighter Euro 6 engine features include:

- Exhaust Brake System
- Cruise Control System
- 6-speed Manual Transmission, 9-speed Manual Transmission and 5-speed/6-speed Allison Automatic Transmissions
- BlueTec After-Gas Treatment System
- Exhaust Gas Recirculation System (EGR)

Daimler Truck Guaranteed Buy Back¹ is a finance solution that lets you take advantage of flexible terms and competitive rates.

When your agreement comes to an end, you have the option to trade, retain or return your Fuso truck for the Guaranteed Buy Back¹ amount, subject to fair wear and tear conditions being met. Protecting your investment in a new Fuso truck has never been easier.

BENEFITS INCLUDE

- Guaranteed Buy Back of your Fuso truck²
- Stay in control with the flexibility to trade, retain or return at the end of the agreement²
- Benefit from the ability to increase your deposit or trade-in to reduce monthly repayments

**TO FIND OUT MORE ABOUT DAIMLER
TRUCK GUARANTEED BUY BACK,
CALL US TODAY ON 1300 243 052.**

STEP 1:

CHOOSE YOUR FUSO TRUCK

Select the model that best suits your business requirements.

STEP 2:

CHOOSE YOUR ANNUAL KILOMETRES

Customise your agreement by estimating your annual mileage.

STEP 3:

CHOOSE YOUR TERM

We offer flexible terms ranging from 12-60 months.

1 Guaranteed Buy Back is subject to Fair Wear & Tear return conditions & Excess Kilometre charges calculated at an agreed rate in excess of the agreed annual allowance. Guaranteed Buy Back is subject to Excess Kilometre charges calculated at \$0.15/kilometre in excess of the agreed annual allowance. Fair Wear and Tear return conditions apply.
2 Daimler Truck Guaranteed Buy Back Finance is restricted to approved customers of Daimler Truck Financial Services Australia Pty Ltd ABN 23 651 056 825 (DTFS), and is subject to standard credit assessment and lending criteria. Please contact an authorised Fuso dealer for further details and full terms and conditions (including vehicle eligibility).

FLEXIBLE END OF CONTRACT OPTIONS

When your agreement comes to an end you have the flexibility to trade, retain or return your Fuso truck.

TRADE

Always want the latest model?

By choosing to trade, this gives you the ability to upgrade your current truck for a new one and always have the latest in technology, safety and efficiency.

RETAIN

Still love your current truck and want to keep it?

By choosing to retain, this gives you the flexibility to refinance or payout the remaining Guaranteed Buy Back amount.

RETURN

Wish to hand back your truck?

By choosing the return option, simply hand back the vehicle and walk away. Subject to the vehicle meeting the Fair Wear & Tear conditions.
