Highlights

The cab

The aerodynamic L-Cab ClassicSpace is impressively spacious, and makes the driver feel at home and comfortable on the job from the start. The low entry with 3 steps makes the wheel exceptionally easy and convenient to access. With a total of 3 available model types, the Actros Pure Prime Movers are capable of meeting a diverse range of requirements and demands.

Functionality

The Actros Pure models are highly efficient, making use of reliable, functional equipment features with specific benefits such as the electronic parking brake, wireless mobile phone charging, impressive safety features such as the new Active Brake Assist 5, and UHF radio.
