RePOWER WITH MERCEDES-BENZ TRUCKS.

Keep your truck on the road with a new lease on life.

Mercedes-Benz Trucks understands that down time is not an option. That's why we created **Mercedes-Benz Trucks RePOWER**.

RePOWER gives your truck a new lease on life. By refreshing key components, you have the flexibility to choose what is right for you, saving you money in the long run, and keeping your operations running smoothly - all backed by the quality and reliability of Mercedes-Benz Trucks Genuine Parts.

What is Mercedes-Benz RePOWER?

Available on 13L and 16L Mercedes-Benz Trucks, RePOWER has been developed to extend the operational life of your truck by providing you with five different options to overhaul the truck's key driving components.

With RePOWER you can have the reassuring certainty of continuing to operate the Mercedes-Benz truck you own today, with a re-powered version. For added peace of mind, our Mercedes-Benz Trucks two-year parts warranty¹ is included for any parts fitted under any of the RePOWER packs (provided that the works are carried out at an authorised Daimler Truck dealership).

What are the RePOWER options?

With five RePOWER options to choose from, you've got the flexibility to choose a pack that's right for you.
