Goodbye ordinary.

A functional camper or a spacious recreational vehicle, the Marco Polo ACTIVITY is a delight on every trip. Say goodbye to the everyday and rediscover your sense of adventure with this spacious van offering a host of functional features. The interior can be transformed into a pleasant bedroom and living space for up to 5 people in next to no time. So what are you waiting for? Get set for your voyage of discovery right now.

Engine & Transmission.

The Marco Polo ACTIVITY is available with an economical but powerful 120kW 4-cylinder diesel engine. Coupled with a very well balanced comfort suspension, rear-wheel drive and the smooth-shifting automatic transmission 7G-TRONIC PLUS, the Marco Polo ACTIVITY is an attractive proposition for the family road trip.

THE ENGINE VARIANTS

Marco Polo ACTIVITY 220d with output of 120 kW (163 hp) and maximum torque of 380 Nm, Euro 6c

BlueEFFICIENCY package

The ECO start/stop function switches the engine off temporarily when the vehicle is at a standstill, thus reducing fuel consumption particularly in urban and stop-and-go traffic.

Fuel efficiency generator with enhanced efficiency rate relieves engine workload.

Drivetrain.

The drivetrain of the Marco Polo ACTIVITY lends itself exceptionally well to configuration in line with your specific requirements. The combination of the rear wheel drive and the automatic transmission 7G-TRONIC PLUS provides for a smooth and comfortable ride.

Marco Polo ACTIVITY 220 Euro 6c

The Marco Polo ACTIVITY 220d Euro 6c produces maximum torque of 380 Nm in the range between 1400 and 2400 rpm.

Torque curves:

OM 651 DE22LA diesel engine

120 kW (163 hp)

Safety first.

It's good to have attentive helpers along on every trip. In the Marco Polo ACTIVITY, support is available from a wide range of exemplary safety and assistance systems. The **COLLISION PREVENTION ASSIST** proximity warning function helps to maintain a minimum distance from the vehicle ahead and outputs a visual warning when the distance drops below this minimum limit. If there is the risk of a collision, an audible warning is also emitted. Valuable support, especially on long journeys. A standard feature on board is **Crosswind Assist**, which helps to prevent lateral drift in strong crosswinds. In addition, comprehensive airbag protection is also fitted as standard. With airbags for driver and front passenger, thorax/pelvis sidebags and windowbags in the front, the Marco Polo ACTIVITY has a 5-star ANCAP safety rating ensuring your passengers are protected.

SAFETY ABOUND

ATTENTION ASSIST is able to detect the typical signs of fatigue based on numerous parameters and warns the driver accordingly.

Seat belt reminder for driver and front passenger.

Lane Keeping Assist can help to avoid accidents caused by an unintentional departure from your lane.

Blind Spot Assist can help to avoid accidents when changing lanes.

Windowbags can protect against head injuries in the event of a side impact.

Overseas model shown.

All set for adventure. The standard equipment of the Marco Polo ACTIVITY.

The Marco Polo ACTIVITY offers many features for a spontaneous overnight stay on board and a pleasant home-away-from-home environment as standard. You will come to value its functional details, such as the extensive interior and ambient lighting with reading lights both en route to your destinations and when you arrive.

* The declared fuel consumption figures are determined by testing under standardised laboratory conditions in accordance with ADR 81/02. The fuel consumption figures stated are for the purposes of comparison amongst vehicles tested under the same technical procedures only. Real world energy consumption figures may vary and are influenced by many factors such as, individual driving style, load, traffic, ambient temperature and vehicle condition.

Mercedes-Benz quality – in every area.

Servicing and repairs.

The Mercedes-Benz Marco Polo ACTIVITY has a 25,000km or 1 year (whichever occurs first) service interval. All Mercedes-Benz authorised workshops are staffed and equipped for excellence and will assist in keeping your Marco Polo ACTIVITY operating as intended. Our Mercedes-Benz technicians complete training every year to ensure they are up-to-date with current technology.

Mercedes-Benz Genuine Parts undergo rigorous material and functional testing and are engineered to fit your vehicle perfectly. All Mercedes-Benz Genuine Parts have a 2 year parts warranty.

Your Marco Polo ACTIVITY is covered.

Warranty. Our comprehensive Mercedes-Benz Vans manufacturer’s warranty means peace of mind for five years or until the vehicle has travelled up to 250,000km. You’re covered for parts and labour charges incurred whilst rectifying a manufacturing defect relating to materials or workmanship.

Roadside Assist. In the unlikely event of needing assistance, all you have to do is call. Mercedes-Benz Vans Road Care is designed to provide you with assistance in case of a breakdown anywhere in Australia – 24 hours a day, 365 days a year. Standard cover comes at no extra cost on your Marco Polo ACTIVITY during the manufacturer’s warranty period or while the vehicle is operating under an approved ServiceCare Pre-Paid Plan and is designed to provide real peace of mind motoring.

For further information and terms and conditions, please visit www.mercedes-benz.com.au/vans to view the Mercedes-Benz Vans Road Care Service brochure.

Vans ServiceCare

Mercedes-Benz ServiceCare makes your vehicle maintenance simple and flexible by providing competitive capped price servicing and repair choices to suit your specific van or ute requirements.

With ServiceCare your vehicle maintenance costs are transparent and will assist your expenditure planning whether you own one van or operate a large fleet.

Better still, with ServiceCare you can rest assured that your vehicle is serviced and repaired according to factory schedules, with Mercedes-Benz trained technicians and Genuine Parts.

Notes.

¹ Mercedes-Benz Vans Road Care applies to vehicles purchased from an authorised Mercedes-Benz dealer, whilst vehicle is under warranty.

IMPORTANT! This brochure has been compiled by Mercedes-Benz Australia/Pacific Pty Ltd to provide a general indication of the model available in Australia. In addition, features, optional extras and/or colours may only be available in combination with others. Some equipment depicted either on vehicle illustrations or separately may be non standard or options and may, where applicable, be available at an additional cost. For current information on the availability, design features and prices of the Marco Polo ACTIVITY, features, optional extras and/or colours available, you should contact your authorised Mercedes-Benz Vans Dealer at www.mercedes-benz.com.au/dealers or go to www.mercedes-benz.com.au/vans

All of the information contained in this brochure was correct as at April 2021. However, the manufacturer reserves the right to discontinue, make changes to design and specifications to vehicles or optional equipment without notice.
